Fresh Graduate

Profile

I'm 22, a creative and driven Graphic Designer with a sharp eye for visual storytelling and a solid command of design software and customer experience. I bring fresh energy, strategic thinking, and an entrepreneurial mindset to every project—turning ideas into visuals that are not only eye-catching but also aligned with brand goals. My designs are crafted to engage, connect, and deliver real impact. I'm ready to contribute bold, effective creativity to your team.
